Dear Marinus and Charmaine

Here at the end of a very busy 2nd school term I would like to make use of the opportunity to thank you on behalf of our school management team for your donation of sports equipment (netball balls, hockey sticks and hockey balls), plastic containers for our chess club as well as your very generous regular monthly financial contributions.

We have learners coming from poor and difficult home circumstances and because of the funds you provided we could support quite a few learners with the purchase of school shoes and school clothes; with monthly rent (where two girls lost their father and the mother is unemployed) and transport fees (a learner who lives very far and who's mother is also unemployed at the moment and a single parent). In Winter months it is especially of great help. You also helped a grade 7 learner to be able to go on her grade 7 tour.

You can be rest assured that we use the money wisely and with caution and only in cases where learners really need it.

Please accept our sincere gratitude and heartfelt appreciation.

Kindest regards.
